

Is This Heaven, No It's Iowa

Is this Heaven, No it's IOWA!

It's safe to say the corn will be beyond knee high by the 4th of July!

[Learn More](#)

Sorghum serves as a buffer for seed corn fields and is harvested for bird seed for the Des Moines Feed & Seed Company.

Soybeans are growing closer to being canopied!

*Mid summer is an exciting time of anticipation of what the crop yields will be in fall. Post emerge spraying, many field checks and Mother Nature are the determining factors that **LongView Farms** evaluates to help determine the crop on your farm.*
